

# Budgeting for Clinical Trials

February 15, 2024, 12 – 1 PM

Zoom Link Below

*Open to all*

**Caroline P. Wellington, MPA**

Proposal Development Business Manager, CNRI

**India Johnson**

India Johnson, Sr. Financial Analyst, GWU

**Eric Cannon, JD**

Sr. Contracting Officer, OCR, GWU

After participating in this webinar learners should be better able to:

- Understand what expenses are in a standard NIH or industry-supported budget
- Develop a budget in compliance with the governing cost principles and other requirements applicable to the type of recipient and the type of reward
  - Discover common pearls and pitfalls of budget preparation
